Long Wake Publishing, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Rekindle your dreams for the church that could be, for the impact your church could make, and for the adventure of following Jesus together. This small group experience will unleash new thinking, it will move people out of the box of worn out methodology, and it will empower whole groups of people to reimagine all that Jesus might want to do in and through your church. This companion to DNA of a Revolution is designed to fuel dreams for the church that could be. It is much more than that typically redundant review of the original book, but instead offers a journey of discovery and application that could stand on its own if needed. If you are looking for a way to deepen the missiological thinking of your church leadership, this might be a perfect tool. If you are looking for a fresh study that unlocks the book of Acts, here s that study. If you are looking for small group curriculum that could mobilize large numbers of people in your church, you found it.
