Forgotten Books, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Muses Pageant, Vol. 1: Myths Legends of Ancient Greece The title of this book, the Muses Pageant, may serve to indicate its scope and aim. Just as, in the spectacles that have lately become popular among us, the heroes and heroines of our island story pass over the scene in their habits as they lived; so, in these pages, the divine and human figures of the Greek Mythology are presented after a fashion which, it is hoped, may bring them more vividly before the mind's eye. The promoters of our modern English pageants lay stress on their value as object lessons in national or local history; and this collection of the myths of ancient Hellas has been made with a kindred purpose - to give the general reader a bird's-eye view, so to speak, of the realms of gold. Again, our Pageant, though set forth in prose, is of the Muses; in other words, the legends it reproduces are those immortalised by the Greek poets. Classical mythology may be broadly divided into (1) Popular, (2) Poetical; the former division is, of course, the foundation of the latter, and, as embodied in local cults and traditions, is of primary importance to the folklorist and the anthropologist. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
