AUTHORHOUSE, United States, 2009. Paperback. Book Condition: New. 274 x 208 mm. Language: English . Brand New Book ***** Print on Demand *****.At last! A teacher manual that has what you need and what you want! How to Teach the Best Research Paper Ever! is the companion to the student text, How to Write the Best Research Paper Ever! In it you will find that this curriculum and the way in which you deliver it meet all the requisite State Standards for Secondary English. More importantly, you will find lesson plans prepared for you that have all the instructional components and all the active participation strategies you need to draw your students into this process and project. That s right-29 Lesson Plans, which makes this, if used in its entirety, a quarter long project in the secondary schools, or a semester course in college. All of you curriculum, plans, assignments, and assessments are prepared for your use! Adapting your own lessons for extensions and/or corrections is easy! Because the research paper unit can take up to a quarter, some teachers worry about losing time to teach a poetry unit, or certain beloved short stories, but the learning done with this unit has far reaching value. If you students to learn Skills and Strategies, and Mastery Learning in order to promote life-long use of those skills, you will find them all incorporated right here! And students will be using them in the pursuit of a study they choose that is of great interest to them. The student text and your guidance through it with this teacher manual will promote the development and use of critical thinking skills and creative thinking skills, and provide opportunities for including Gardiner s Multiple Intelligences in the process of writing this paper and also making a...
