The Farmer s Practical Hand-Book of Agricultural Chemistry (Classic Reprint) (Paperback)

By W W Memminger

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Farmer s Practical Hand-Book of Agricultural Chemistry An effort has been made to place in your hands a pamphlet containing useful knowledge. No originality is claimed as we have been largely indebted for our facts and figures to several notable works on agricultural chemistry. In some instances the text has been copied, and in others re-written. Among those books chiefly used, are American Manures, and Johnson, Sibson and Morfit s publications. It has been written for the use of the customers of the Etiwan Company, and is intended to convey to them practical hints as to the use of our Fertilizers. I am indebted to a farmer friend for the introductory chapter, and for the article prescribing the proportion of composted fertilizers to be used on different grades of land. It is hoped that you will, in the course of this year, supply us with practical information, so as to enable us to revise and republish an improved edition next year.
