Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

TWO EGGS THREE YOLKS - LEARNING TO HEAR AND FOLLOW GOD (PAPERBACK)

Dog Ear Publishing, United States, 2007. Paperback. Book Condition: New. 223 x 152 mm. Language: English . Part One sketches the events in the authors personal backgrounds and histories which set them on the own journey to hearing, and which changed the very course of their lives. Part Two begins by examining why God speaks, follows with the nitty gritty mechanics of beginning and developing the disciplines of hearing, including small group participation and journal keeping, and continues with an examination of the ways in which God speaks, concluding with looks at such issues as discernment, blocks to hearing, problems in learning to interpret, and, ultimately, teaching others to hear. Part Three is a full-blown life example drawn from the authors own profound experience of being led to the adoption of their three Russian children. The book concludes with two appendices, each consisting of a selection of twelve words: the first on various topics...
