

Selective Mutism Treatment Guide (Paperback)

Filesize: 6.52 MB

Reviews

Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

On Demand Publishing, LLC-Create Space, United Kingdom, 2012. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The Selective Mutism Treatment Guide: Manuals for Parents, Teachers, and Therapists, is an innovative, effective approach to the treatment of selective mutism, which is based both on rich clinical experience spanning two decades, and on theoretical knowledge of how selective mutism is generally viewed and treated today. It includes separate manuals written for parents, school or kindergarten staff, and therapists, each with concrete, effective, tried and tested ways of helping the child with selective mutism. It is designed to be a positive and empowering experience for the child and his family. This guide is aimed for professionals and lay people alike: For parents and relatives of children with SM it offers a valuable resource to understand the condition, with programs and tools to help the child at home and at school in order to improve his verbal and social communication. For mental health and school based professionals it provides a guide which enables the reader to understand and treat the disorder, working closely with the school and the parents. The Parents Manual includes sections about how SM can affect your child and family, how to speak to your child about SM, how to treat SM, how to lower your child s anxiety, and how to work together with the school or kindergarten to help your child. It outlines effective interventions that parents can carry out at home and in school to help their child overcome SM and attain improved social communication skills. The Teacher s Manual includes: a description of SM and its possible causes, understanding the child with SM, how SM presents in school, an overview of how to treat SM, and a...
