

## Cross Examination: The Mystery Game That Improves Your Brain

By Robert R. Schoch

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 236 pages. Dimensions: 9.7in. x 7.4in. x 0.5in. Cross Examination (The Mystery Game that Improves Your Brain) is the literary version of Milton Bradley's Crack The Case game. It is a fascinating brain game of solving intriguing mysteries that two or more people can play instantly that requires no training, no cards, no dice, no table, no little plastic pieces, no fake money, no gimmicks and no substantial investment. Its enjoyed equally by both sexes and the young and old. It can be played as a book, e-book, on your cell phone, computer or mobile device, and it can be played anywhere in the car on family trips, in the office during breaks, long distance or in the flesh. It can be played by families, couples or teams, and this is the real bonus--it can be played either competitively or simply for fun. Cross Examination (the book) was licensed to Milton Bradley (Hasbro), which converted the book into a boxed game (Crack the Case) in 1993, which has consistently been awarded 5-star status by the game gurus around the world. The game's inventor, Robert R. Schoch (www.RobertRSchoch.com) has...

### Reviews

*This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
