Encounter Books, 2013. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Among historical figures Fidel Castro wins, hands down, as the most persistently effective liar of modern times. Consider: He jailed political prisoners at a higher rate than Stalin during the Great Terror, murdered more Cubans in his first three years in power than Hitler murdered Germans during his first six and came closest of anyone in history to starting a worldwide Nuclear war. In the above process he converted a nation with a higher per-capita income than half of Europe and a huge influx of immigrants into one that repels Haitians and boasts the highest suicide rate in the Hemisphere. Who would guess any of this from reading the mainstream media? "Much more valuable to us than military recruits were recruiting American reporters to export our propaganda."(Che Guevara in his diaries.) And today the concept is as valid as ever. History records few recruitment drives and propaganda campaigns as phenomenally successful or as enduring as Castro and Che's. It's high time to expose the scam. "Castro's use of propaganda assets--interviews with journalists, radio broadcasts--during his guerrilla war against Batista contributed in a major way to his victory and was a preview of the methods he would use so successfully after coming...
