

## Introduction to Philosophy: Knowledge, Action, Enlightenment (Paperback)

By J M Beach

Createspace, United States, 2012. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The practices of philosophy and rhetoric actually preceded and gave birth to science as we know it. Philosophy was not only practiced by most if not all scientists up until the 20th century, it was also considered an important epistemological part of the two major branches of early science, both natural history (biology, geology, and anthropology) and natural philosophy (physics, chemistry, astronomy, and mathematics). Scientists were called natural philosophers up until the 19th century, during which the word scientist, gradually around 1834, became the preferred professional designation. But with the rise of science, we have lost sight of the importance of philosophy and rhetoric. In the United States over the last century the practices of philosophy and rhetoric became professionalized as adjunct disciplines focused on logic and linguistics. Both fields are now defined very narrowly and routinely placed beyond the boundaries of ordinary human beings. This book is not about philosophy as it is currently practiced, the so-called analytical philosophy derived from logical positivism in the early 20th century. Instead, this book investigates a much older practice that...

### Reviews

*This composed book is excellent. it was actually writtern very perfectly and valuable. I found out this book from my i and dad advised this book to learn.*

-- **Maymie O'Kon**

*Here is the finest ebook i have got read until now. It really is simplistic but excitement within the 50 percent in the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
