## THE PURPOSE OF A MEDICINE IS . . . (PAPERBACK)

E-Booktime, LLC, United States, 2006. Paperback. Book Condition: New. 211 x 137 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This is a true story of a journey and a miracle. On December 6, 2005, in the offices of two separate medical experts, I was informed that my days were numbered. I was advised to take more medicines, and get admitted into the emergency room. If not, there was little the doctors could do. By then, I was already on numerous medicines for countless years. I knew that my body and stomach would not permit the intake of any more medication. All my life, I had lived my way. So, I signed a liability release form and decided to die my way. I surrendered to HIM. On January 7, 2006, I was down to just one medicine. I was on my way to full recovery. It is a fun, happy, and romantic story that is culturally educational, medically astonishing, spiritually uplifting, and studded with travel experiences. The journey was long and arduous, but never dull. It was scenic, adventurous, thrilling, and fulfilling. It took me through two masters degrees, two marriages, two children, two 10+ year long divorces, a few acquaintances, several friends, some companions, a career, several hobbies, the 7 continents, 5 oceans, 4 rivers, several islands, many debilitating illnesses, several awakenings, noteworthy self realization and a miraculous recovery. Most importantly, it helped me find answers to two very important questions. Is happiness a medicine? Is there one medicine whose purpose is to eliminate the need for all other medicines? The answers to both of which are a resounding - Yes. Perhaps, that is why I got nicknamed AN - Amazing Nupur.
