

Environmental Management Tool Kit for Obsolete Pesticides

By Food and Agriculture Organization of the United Nations

Food & Agriculture Organization of the United Nations (FAO). Microfilm. Book Condition: new. BRAND NEW, Environmental Management Tool Kit for Obsolete Pesticides, Food and Agriculture Organization of the United Nations, Stocks of obsolete, unwanted and banned pesticides continue to represent a serious public health and environmental threat, particularly in developing countries. This tool kit, in three volumes, has been developed for country project managers, officers of government ministries of agriculture, environment and health, and regional and district officers and storekeepers, to support them in planning all the steps of a safe disposal program.

Good e book and useful one. I have got read and that i am confident that i will likely to go through once more again later on. It is extremely difficult to leave it before concluding, once you begin to read the book.
