*This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Annual Report of the Boston Female Anti-Slavery Society: Presented October 13, 1841 This day completes the eighth year of the existence of the Boston Female Anti-Slavery Society; and its return demands of us the customary glance of retrospection, by which we have ever been able to cheer and strengthen each other for the future. Never was the contemplation of the past so encouraging. Experience has taught us how to interpret its lessons, so that events, which once looked hostile to the cause of Freedom, now seem the fitting preparation for her advancing steps. We seem to behold all the discordant elements of society working together unconsciously for the liberation of the American slave. Is the church the bulwark of slavery. The very fixedness of her position, as such, is awakening her most excellent members to the necessity of disuniting their honor from her assembly. Her denial of the applicability of her principles to the question of slavery breaks the charm of moral perfection, that made her powerful in the hearts of man. Deserted of that which gives her the character of a true church, her crumbling walls will soon cease to encumber the path of reform.
