A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

Although it is a new year-1952-in New York City, Georges life remains the same. As he centers his daily routine around a whiskey bottle, George begins to drive both himself and his devoted wife, Margie, straight into the depths of destitution. George is bitter. Once he was a star ballplayer with lofty goals, but his dreams have been shattered by the injuries he suffered while serving in North Africa. Now George entertains himself by insulting others, including Margie, a devoted Catholic who is torn between the demands of her faith and the need to escape the verbal abuse she endures daily. Desperate for love and attention, she somehow finds herself in bed with Doc Hayden. But even though George is a drunk, he is no fool. Now it appears that the only way George and Margie will ever survive is to go their separate ways. I Really Wanna Go Home is the compelling tale of a young couples struggle to escape poverty and the effects of a debilitating disease destined to transport both on distinct journeys that soon meet in a catastrophic collision with destiny.
