

Black-Board Drawing (Paperback)

By M Swannell

Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.An excerpt from the PREFACE: THE value of Drawing as a means of education cannot be over-estimated. For some years past attention has been directed to this branch of the school curriculum, but more especially since Pestalozzi and Friedrich Froebel pointed out the significant part it plays in the development of the little child. The first expressions of the baby are shown in the movements of the arms and legs, in screams, and later on in various guttural sounds, but after a certain period of the development of purely animal strength, the child desires to touch and handle everything he sees: second only to the need of movement is that of touch. For a time the mere feeling and grasping surrounding objects contents him, but he will soon need something more: it is a necessity of the child s mind to give out again in concrete form the ideas and images which it has taken into itself, and thus to fix in clear objective shape the dim undefined images floating in its little brain. As a step towards...
