In **Tangled Fantasies: 52 Drawings to Finish and Color**, Zentangle expert Jane Monk explores the fantasy world of mythical and imaginary creatures, hidden doors, secret paths, tangled forests, and more. More than a simple coloring book, **Tangled Fantasies** invites doodlers, tangles, and colorists alike to step into the role of the artist with 52 interactive templates--you design the drawings yourself and color them in. Half of the drawings are complete and ready to color; the other half await your creativity and imagination to finish. If you're new to tangled artwork, there's a primer in the beginning of the book, where the author offers instructional material to acclimate you to the process of intricate tangle art. **Tangled Fantasies: 52 Drawings to Finish and Color** is different from other tangle books out there, as it's designed to give you, the artist, more control over the finished images. Monk provides the basic outlines of forms in the drawings and you simply fill it in, personalizing the image and background with various tangles of your choosing.
