Brand New Book ***** Print on Demand *****.Excerpt from The History of Our Country Fully Demonstrates the Fact That a Protective System Has Been, and Is Now, for the Best Interest of All Classes of Our People For three years the executive department of the Government as well as this House has played fast and loose upon this great question until the necessities of the Government have compelled the Administration to take some position upon the tariff question, and I honor the President for having compelled his party to stop its double dealing and to define its position by its work here in the House. The President in his recent message to Congress has given the country his views touching the manner of reducing the revenues of the Government. If he had been as much interested in paying off the public debt with the surplus revenues of the Government as he has been in furthering the interest of his party, the large amount of money now in the Treasury unappropriated would be in the hands of the people and be used in furthering their...
