Createspace, United States, 2009. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.The current book is not about trying to prove the truth of this or that scientific or religious account about the origins of either human beings, in particular, or life, in general. Evolution and the Origin of Life is about the problems surrounding the process of interpreting empirical evidence and subjecting that data to various methods of rigorous critical reflection.
