THE BEAUTIFUL BUREAUCRAT

Audible Studios on Brilliance, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 165 x 137 mm. Language: English . Brand New. A young wife s new job pits her against the unfeeling machinations of the universe in this dazzling first novel Ursula K. Le Guin hails as quot;funny, sad, scary, beautiful. I love it.quot; In a windowless building in a remote part of town, the newly employed Josephine inputs an endless string of numbers into something known only as The Database. After a long period of joblessness, she s not inclined to question her fortune, but as the days inch by and the files stack up, Josephine feels increasingly anxious in her surroundingsthe office s scarred, pinkish walls take on a living quality, the drone of keyboards echo eerily down the long halls. When one evening her husband, Joseph, disappears and then returns, offering no explanation as to his whereabouts, her creeping unease shifts decidedly to dread. As other strange events build to a crescendo, the haunting truth about Josephine s work begins to take shape in her mind, even as something powerful is gathering its own form within her. She realizes that in order to save those she holds most dear, she must penetrate an institution whose tentacles seem to extend to every corner of the city and beyond. Both chilling and poignant,The Beautiful Bureaucrat is a novel of rare restraint and imagination. With it, Helen Phillips enters the company of Murakami, Bender, and Atwood as she twists the world we know and shows it back to us full of meaning and wonderluminous and new.
