Reviews

This publication is fantastic. We have read through and i am certain that i will planning to read yet again yet again down the road. You wont feel monotony at at any time of your respective time (that's what catalogs are for concerning when you request me).

(Alec Langosh)

Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.In today s increasingly complicated work world, finding and maintaining employment can be a daunting endeavor. Before you settle for a job or position you don t like, however, consult the sage and practical advice of QA with the Career Coach. Like having direct access to your own career counselor, this guide answers the important questions that may be too complex or sensitive for you to ask someone else. Designed to serve as an accessible desk reference you can regularly turn to in your everyday work life, whether you re a new college grad or have been in your job for thirty years, the topics covered include: Career planning Finding employment and interviewing New job assimilation Merchandizing yourself Salary adjustments and promotions Job security Written by Clifford E. Montgomery, a certified executive career coach with forty-two years of executive human resources experience, this easy-to-read manual addresses the common and crucial questions he s been asked by his clients and employees over the years. Comparable to Spencer Johnson s Who Moved My Cheese?, this book has the strategies that can make your career path easier, happier, and more successful.
