Filesize: 2.33 MB

### ***Reviews***

*A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.*

Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.HAIR DRESSERS, STYLISTS, MAKEUP ARTISTS, NAIL AND SKIN CARE ARE YOU A VISUAL AND ARTISTIC person with a keen eye for fashion? Are you good with your hands, and using tools? Cosmetology is a field where you can combine technical skills with creative flair in a variety of ways. Cosmetology is a very broad term. By definition, it is the study and application of hair and nail design and skin care. In reality, it is a fancy name for someone who helps people look good. Cosmetologists are licensed professionals who cut, color, and style hair; shape, buff, and paint nails on fingers and toes; and provide skin care such as facials, makeup application, hair removal, and body wraps. Most cosmetologists work in beauty salons, but the growing popularity of day spas has provided a new, more refined work setting. You can also find cosmetologists in department stores, on cruise ships, on film and television sets, and behind the scenes at fashion shows and magazine photo shoots. Some work with geriatric (elderly) clients in assisted living facilities, in hospitals, even in mortuary science settings. This is an industry, thanks in part to the popularity of fashion magazines and makeover shows on TV. It is a fast growing and desirable job with an excellent outlook that is unlikely to change, if history is any indication. Cosmetology has always been unaffected by downturns in the economy. Even during the Great Depression in the 1930s, women still wanted to look good and continued to visit their hairdressers regularly. When times are good, people spend even more time and money pampering themselves - plus, they tip better. Today, jobs are plentiful for both...
