

Urban Poet (Paperback)

By Ged Austin

Lulu.com, United Kingdom, 2014. Paperback. Book Condition: New. 210 x 148 mm. Language: English . Brand New Book ***** Print on Demand *****.An entertaining and wonderfully interesting magical book about a very mysterious British poet, known by the name of Jedi, The Urban Poet . Who is he? Where does he come from? What has he got to say about life? When I was approached to do this book, as an author I felt privileged to publish Jedi s poems and reveal a small hint of his story, but I am still no wiser to who he is or where he really comes from, or where he is going next. All I know is Jedi the Urban Poet appears like a ship out of the fog and disappears like a shadow when the sun goes back in behind a cloud. He is a protester of lost causes and a friend of the underdog. The last words he said to me before he said goodbye were, I a citizen of nowhere but always homesick for somewhere. May all who read this book enjoy it!.
