A Different Life: Growing Up Learning Disabled and Other Adventures

By Quinn Bradlee with Jeff Himmelman

Perseus Distribution, 2009. Hardcover. Book Condition: New. Born with a hole in his heart that required invasive surgery when he was only three months old, Quinn Bradlee suffered from a battery of illnesses -- seizures, migraines, fevers -- from an early age. But it wasn't until he was fourteen that Bradlee was correctly diagnosed with Velo-Cardio-Facial Syndrome (VCFS), a widespread, little-understood disorder that is expressed through a wide range of physical ailments and learning disabilities. Ten percent of the population is affected by a learning disability, but few of us understand what being learning disabled (LD) is really like. In this funny, moving, and often irreverent book, Bradlee tells his own inspirational story of growing up as an LD kid -- and of doing so as the child of larger-than-life, formidably accomplished parents: long-time Washington Post executive editor Ben Bradlee and bestselling author Sally Quinn. From his difficulties reading social cues, to his cringe-worthy loss of sexual innocence, Bradlee describes the challenges and joys of living "a different life" with disarming candor and humor. By the end of A Different Life he will have become, if not your best friend, one of your favorite people. Quinn Bradlee attended Landmark College,...

Reviews

I actually started looking over this publication. It really is rally interesting throug studying period. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Dana Hintz

Good electronic book and valuable one. It really is basic but unexpected situations in the 50 percent in the pdf. You wont really feel monotony at at any moment of your time (that's what catalogues are for concerning when you ask me).
