RESEARCH METHODOLOGY: A HANDBOOK

Concept Publishing Company (P) Ltd., 1989. Hardcover. Book Condition: New. This handbook is designed to provide a foundation course in research methodology for those who have just entered the field of research in social sciences and other related disciplines. Though not meant to be an all inclusive and comprehensive work on research methodology, it attempts to give a skeleton of the methods and procedures a researcher should know in order to optimize his research results and be able to present...

Reviews

This sort of pdf is almost everything and taught me to hunting ahead of time and a lot more. It is writer in basic terms and not hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.
