Taylor & Francis Ltd. Paperback. Book Condition: new. BRAND NEW, The Essential Charles Dickens School Resource: Contemporary Approaches to Teaching Classic Texts Ages 7-14, Gill Robins, Laura-Jane Evans-Jones, Charles Dickens is arguably the greatest storyteller in English Literature and his novels have been loved and respected for nearly two hundred years. As accurate reflections of Victorian society they are unparalleled. Vivid characters and realistic settings are created in the mind of the reader, all laced with Dickens inimitable humour, wit and lacerating political comment. This book aims to bring alive these characters and settings in the minds of children. It provides a comprehensive resource for children not only to learn about the literary heritage of the English language, but also to encourage them to create meanings from these classic stories through their personal, social and cultural experiences. The authors set each novel in context, providing a synopsis of the book, as well as characters, settings themes and symbolism. Works covered include: \* A Christmas Carol \* Bleak House \* David Copperfield \* Great Expectations \* Hard Times \* Oliver Twist But this book doesn't just aim to introduce classic literature to children; it also provides a wide range of truly contemporary tools with which they can respond creatively, including: drama and film, blogs, web 2.0 technologies, multimodality and animation and graphic novels. The book is also accompanied by a CD which contains chapter outlines, extended text extracts, and practical resource sheets, including PowerPoint presentations, book review templates and flash cards, as well as a set of 8 week lesson plans for each novel. The Essential Charles Dickens School Resource provides essential classroom learning material for teachers and literacy co-ordinators teaching Key Stages 1 -3, as well as CPD students and those studying on PGCE English/Drama courses.
