## RESONANZ: ENERGY DYNAMICS IN CONSCIOUS ORGANIZATIONS FROM HIERARCHY TO WHOLEARCHY

Life Energy Media. Paperback. Book Condition: New. Paperback. 242 pages. Dimensions: 8.9in. x 5.1in. x 0.7in. Resonanz introduces the Wholearchy, a revolutionary model of organizations based on energy dynamics that are fundamental to life. In doing so, the authors give us a common language to diagnose company relationships and activities, identify what's working, and create solutions for what isn't. Their model of movement and change challenges the limits of the intellect by suggesting the need for: body-centered learning, focus on what's essential, and greater environmental consciousness. Resonanz demonstrates how some of today's most successful and socially conscious companies: Are two to four times as profitable as the markets. Provide generous benefits, even in downturns. Minimize costly turnover at rates far below industry averages. Resonanz is an uplifting exploration of human potential - an invaluable read for any leader, manager, consultant, or entrepreneur who wishes to enhance their effectiveness. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
