THE GOSPEL IN A PLURALIST SOCIETY (PAPERBACK)

SPCK Publishing, United Kingdom, 2014. Paperback. Book Condition: New. 232 x 156 mm. Language: English . Brand New Book. How does the gospel relate to a pluralist society? What is the Christian message in a society marked by religious pluralism, ethnic diversity and cultural relativism? Should Christians concentrate on evangelism or dialogue? The Gospel in a Pluralist Society addresses these kinds of questions - providing an excellent analysis of contemporary culture and suggests how Christians can more confidently affirm their faith in such a context. While drawing on scholars such as Michael Polanyi, Alasdair MacIntyre, Hendrikus Berko, Walter Wink and Robert Wuthnow, this heartfelt work by a missionary pastor and preacher is not only suited to an academic readership; it also offers to Christian leaders and lay people many thoughtful, helpful and provocative reflections. When Lesslie Newbigin died in 1998, The Times obituary writer described him as one of the foremost missionary statesmen of his generation , and amongst the outstanding figures on the world Christian stage of the second half of the century . The Gospel in a Pluralist Society has been widely influential and deserves to be reissued as an SPCK Classic.
