## SPEAKING BETTER FRENCH: STILL MORE FAUX AMIS

DOWNLOAD

Paperback. Book Condition: New. Paperback. 136 pages. Its easy to assume that French words mean the same as English words, when they look and sound pretty much the same. Unfortunately, some of these words may have entirely different meanings. They are called false friends, or faux amis. These faux amis can cause misunderstandings and awkward situations when they mean something entirely different than what you expected. Still More Faux Amis will help you avoid these embarrassing situations. It isnt a dry list of faux amis. Its written in conversational language and its easy and fun to read. Each faux ami word pair is explained so that you will understand how the French word is used compared to English usage. Youll also see examples of its use in sentences and phrases. When youve finished reading this book youll have learned most of these faux amis without ever having had to consciously memorize them, simply because theyre so interesting. Praise for Speaking Better French: Faux Amis by the same author: I am amazed at how much fun to read, as well as how incredibly informative, the book is. Its a wonderful tool that Ill be happy to recommend to my colleagues and students. . . . . Professor Brigitte Humbert, Middlebury College I love the Faux Amis, especially the relaxed, conversational presentation. Im going to suggest that we recommend it for students in our intermediate and advanced classes as a supplementary reference book. . . . Professor Norman Shapiro, Wesleyan University I think your books are wonderful. You have made a fantastic contribution to the French language profession. . Professor Judy Baughin, Raymond Walters College I have very much enjoyed Faux Amis and plan to order it for my translation class this coming semester. I put a great deal of emphasis on these...
