The Christian faith in America is dying due to a lack of proper education in our homes and churches. One of the biggest failures of our modern times is that we have missed the command from our Lord to Go and make disciples, teaching them. . . More focus has been spent on filling the altars than has been given to simply teaching and feeding the sheep who are already in the flock. This has led to a growing trend of non-church attendance by adults, and a mass exodus of youth from the Christian faith. Post-modernism has emptied our churches because it says that God is not real, the Bible isn't reliable, and Jesus isn't the answer. Our school systems have brainwashed our minds to believe that we are all just a great big evolutionary cosmic accident with no absolute meaning for our lives. The Faith Survival Guide will reverse this trend by providing a simple to use apologetics guide that will answer some of the biggest questions facing the Christian faith. Written in an easy-to-teach format, any Average Joe who wants to see their church, family, and community become bold Warriors for Christ needs to get this curriculum for their Sunday school, small group, or at home...
